BROKERS, I ask you this very important question;

Within your firm, who should take Broker Responsibility, Contracts, Legal I & Legal II Courses?

We, as Brokers have a responsibility to be a mentor and leader to all our staff and agents.

Protect your company for what may be a future issue by having your staff fully informed of your responsibilities.

As the Broker, Responsibility does not end at 5:00 PM, Monday thru Friday. Try 24/7.

TRETA offers Courses and Workshops on how to be a better Broker, that's right.

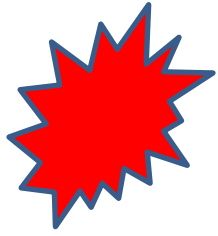

How can one be a Broker of a firm without being a Teacher or Leader or Instructor?

That's where TRETA can help you and your staff. We invite Broker's to our Quarterly Meetings and Luncheon.

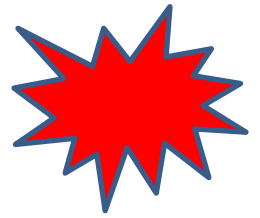

**FREE Lunch, FREE Educational Course**

**Upcoming Luncheons will be held in Corpus Christi-January of 2023 & San Antonio -July of 2023**
